It has, *inter alia*, been argued by learned counsel for the petitioner that name of the petitioner is not named in the dying declaration. He further submits that the petitioner was not present even on the spot at the time of the occurrence. He has been involved in the case on the basis of the allegation that he instigated his family members, who have set his wife on fire. The petitioner claims that he was posted at Arunachal Pradesh, when the incident took place.

Learned State counsel submits that 26 witnesses out of 29 witnesses stand already examined and the next date of hearing before the
