Vs.

M.M.S. BEDI, J. (ORAL)

The petitioner alongwith others was allegedly found travelling
in a car with 700 bottles of rexcof.

Counsel for the petitioner has contended that the petitioner is
neither the Driver nor the owner of the vehicle and that he had merely taken
a lift in the car when the car was intercepted. He ahs also pointed out the
irregularities in sample contending that two bottles from each bag were
taken as samples which sample will not represent the quantity in other
bottles.

I have heard learned counsel for the petitioner. It will not be appropriate for this Court to enter into the niceties of the trial to appreciate the defence of the petitioner or the material irregularities at this stage.

This petition is dismissed at this stage with a direction that the trial Court shall make earnest endeavour to conclude the trial within a period a period of six months after the next date of hearing. In case the entire prosecution evidence is not concluded within a period of six months, it will be open to the petitioner to approach this Court for grant of bail by placing on record the evidence produced by that time.
