M.M.S. BEDI, J. (ORAL)

This a petition against the order summoning the petitioner as an additional accused under Section 306 IPC and the order dated October 26, 2015 framing charges against the petitioner. The petitioner is described in the suicide note to be responsible for the suicide of Harkanwaljit Singh who was allegedly harassed and abetted to commit suicide by Rajwinder Kaur, her mother and cousin brother who happens to be the petitioner.

Counsel for the petitioner has submitted that the petitioner has been falsely implicated in the case and that he has not been specifically nominated in the FIR or in the suicide note.

I have considered the facts and circumstances of this case. The culpability of the petitioner is required to be determined on the basis of the circumstantial and direct evidence available on the record. All the pleas taken up in this petition at this stage would compel this Court to enter into the niceties of the trial which would not be appropriate.

Counsel for the petitioner submits that an inquiry had been conducted by the police in which the petitioner had been found innocent.

It will always be open to the petitioner to rely upon the said report as a defence document and take advantage of the benefit of doubt.

Counsel for the petitioner at this stage seeks permission to withdraw this petition with liberty to raise all the pleas at an appropriate time before the trial Court.

Dismissed as withdrawn with liberty to raise all the pleas before the trial Court at an opportune time to seek benefit in accordance with law.
