S.J.VAZIFDAR, ACTING CHIEF JUSTICE (Oral)

The petitioner's application for allotment of plot under oustee quota was rejected earlier on the ground that 75% of the petitioner's land was not acquired. The petitioner now relies upon a certificate issued by the Teshildar certifying that 85% of the petitioner's land has been acquired. The petitioner has made a fresh application for the allotment of plot under oustee quota.

The petition is disposed of by directing the respondents to consider the petitioner's application for the allotment of plot under the oustee quota afresh.
