**CORAM : HON'BLE MR.JUSTICE MAHESH GROVER
HON'BLE MR.JUSTICE DR.SHEKHER DHAWAN**

Present: Ms.Anupam, Advocate
for the petitioners.

MAHESH GROVER, J.

This writ petition is totally misconceived as the prayer made is for quashing of mutation dated 31.08.1995 and the land has been consistently shown in the name of Gram Panchayat since then. The petitioners who were apparently dispossessed now plead that this mutation has been wrongly entered.

We are of the opinion that the mutation which is in existence since 1995 showing the land to be in the name of Gram Panchayat cannot be upset and if the petitioners have any right, they may independently avail of such remedies to establish the same.

Petition stands disposed of.
