S. J. VAZI FDAR, A. C. J. (ORAL)

The correspondence annexed to the petition complains of the use of the crusher on the ground that it causes nuisance especially to the children in the nearby school.

2. Learned counsel appearing on behalf of the petitioner states that in fact the crusher is being used without permission and that illegal mining activities are also going on.

3. In that event, the petitioner must in the first instance make a complaint to that effect to the authorities concerned. In the event of the authorities concerned not taking action, the petitioner is always at liberty to file a fresh petition or adopt any other proceedings.

4. The petition is accordingly disposed of.
