CORAM: Hon'ble Mr. Justice Rakesh Kumar Jain

Present: Mr. H.S.Bajwa, Advocate,
for the petitioner(s).

Rakesh Kumar Jain, J. (Oral)

This order shall dispose of two petitions bearing CWP Nos.17988 and 17990 of 2015 as the facts and issue involved in both the cases are same.

In both the petitions, the petitioners have impugned the order(s), cancelling the license(s) without following the principle of natural justice. On 01.10.2015, the following order was passed by this Court:-

“Learned counsel for the petitioner submits that the impugned order has been passed without issuing any *show cause notice* whereas it is specifically mentioned in the order that show

cause notice has been issued and it was not contradicted by the petitioner in the grounds of appeal filed before the appellate authority. However, learned counsel for the petitioner prays for an adjournment in order to seek instructions from his client in this regard.

On his request, adjourned to 16.11.2015.”

Thereafter, both the cases have been adjourned repeatedly on the asking of the petitioner(s) as they could not contradict the fact that show cause notice was given before passing the impugned order.

Since the only argument raised by counsel for the petitioner(s) was that the show cause notice was not given by the respondents before passing the impugned order, which has been found factually incorrect, I do not find any reason to interfere in these petitions.

Consequently, both the writ petitions are hereby dismissed.
