The petitioners in this case challenge the quantum of the enhancement sought by the respondents in respect of the plots allotted to its members, whereas other members had also challenged the quantum of the enhancement on different grounds. They have filed several writ petitions, the first of which is CWP No.18687 of 2012 (Residents Welfare Society Vs. Haryana Urban Development Authority and another) which was disposed of by a separate order and judgment of a Division Bench of this Court on February 27, 2016. This petition is also disposed of in the same terms with the clarification that the petitioners herein will be entitled to dispute the quantum of enhancement *inter alia* on the ground that a major portion thereof, falls within the river and is not a part of the plan of the sector in question.
