SURYA KANT, J.

The petitioner has questioned the acquisition of his land measuring 7 Biswas situated in the revenue estate of village Tejli, Tehsil Jagadhri, District Yamunanagar. The above-stated land was acquired vide Award dated 27.04.2004. The petitioner asserts that the acquisition is deemed to have lapsed under Section 24(2) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (for brevity, `the 2013 Act').

[2] The Land Acquisition Collector, Urban Estate, Panchkula has filed his status report dated 14.12.2016 in which it is admitted that the petitioner has not received the compensation amount which is still lying deposited with the Land Acquisition Collector. In other words, it has not been deposited with the Reference Court as per Section 31(2) of the Land Acquisition Act, 1894 (for brevity,`the 1894 Act'). Petitioner claims that physical possession of the site is also with him.

[3] For the detailed reasons assigned by this Court vide order dated

27.10.2016 rendered in CWP No.17464 of 2007 titled as Satnam Singh and anr. vs. State of Haryana and ors., the instant writ petition is allowed and the impugned acquisition is declared to have lapsed on the ground contained in Section 24(2) of the 2013 Act.

[4] Having held so, we are further of the view that since Section 24(2) of 2013 Act itself in so many words contemplates the possibility of re-acquisition of the land/property in respect whereof the previous acquisition has lapsed, it is necessary to direct the petitioner to maintain *status quo* re: creation of third party rights; to keep the land/property free from all types of encumbrances and not to change the nature of land/property for a period of one year so that meanwhile the respondent-State may, if such property is needed for a “public purpose”, again acquire it. Such a directed is necessitated also for the reason that in numerous cases State or its agencies have taken possession in part and development works have been executed except over that land/property in litigation. Those development works ought to be completed in public interest and the only consequence of lapsing of previous acquisition, mostly due to fault of the Government Officers/Officials, would be that the owners of such land/property will be entitled to compensation and other benefits admissible under the 2013 Act.

[5] Ordered accordingly.
