Ankush Kumar

.... Petitioner

Versus

Union of India and others

.... Respondents

CORAM: Hon'ble Mr. Justice P.B. Bajanthri

Present: Mr. R.S.Budhwar, Advocate for the petitioner.

P.B. Bajanthri, J. (Oral)

In the instant writ petition, the petitioner has questioned Annexure P3 dated 16.09.2016 by which the selecting authority/medical board have held that petitioner is medically unfit on account of CVS review-Tachycardia in the appeal medical examination held on 16.09.2016 itself. The petitioner is a candidate for the recruitment to the Airmen post. When he was subjected to medical examination he was held to be medically unfit. Thereafter, he was subjected for medical examination once again under the medical manual/appeal medical examination in which also the competent authority have held that the petitioner is medically unfit on account of CVS review-Tachycardia.

2. Learned counsel for the petitioner has questioned the medical fitness in the medical examination by the selecting authority on the score that he was subjected to medical examination by the PGIMER, Chandigarh on 20.10.2016 wherein they have held that petitioner is medically fit.

3. In the medical manual of the Airmen Selection Board there is no provision for taking or accepting medical certificate issued by other than

the medical board. Therefore, the contention of the petitioner that PGIMER certificate to hold that he is medically fit cannot be accepted.

4. Therefore, there is no infirmity in the appeal medical Board dated 16.09.2016. Hence the petitioner is not made out a case so as to interfere with the medical examination dated 16.09.2016.

5. Petition stands dismissed.
