States that the livestock etc. are being kept in a residential area creating nuisance and a health hazard for the people and in this regard the petitioner has made a representation which is on record as Annexure P-2.

At this stage, without expressing any opinion on the merits of the case, I would deem it appropriate to dispose of the instant petition with a direction to the respondents to look into the grievance of the petitioner as contained in the representation Annexure P-2 and take an action in accordance with law. Ordered accordingly.
