Mahesh Grover, J

There is a written request circulated on behalf of learned counsel for the petitioner.

After hearing learned counsel for the parties, I am of the opinion that there is no need to keep the petition alive any further. The petitioner has prayed for appropriate direction to be issued to the respondent authorities to take a decision on the issues pending before them regarding compensation under Section 3 of the National Highways Act.

Consequently, the writ petition is disposed of with the direction to the respondents to consider the grievance of the petitioner as expressed in this petition by passing a speaking order within a period of two months from the date of receipt of certified copy of the order.

These observations are not intended to express any opinion on the merits of the case.
