The challenge in the present writ petition is to the acquisition of land sought to be acquired vide notification dated 26.03.1992 followed by notification under Section 6 of the Land Acquisition Act, 1894 dated 24.11.1992.

The petitioners have sought the benefit of Section 24 of The Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Act, 2013 (for short 'the Act').

A short reply has been filed on behalf of Special Secretary, Technical Education Department of Technical Education, Punjab pointing

out that the amount of compensation under the Act comes to Rs.29,33,65,000/- and in view of the high costs of land, it has been decided by the Government not to take the land of the petitioners as the possession was not taken.

In view of the decision of the State Government of not continuing with the acquisition of the land of the petitioners, no further orders are called for in the present petition as the acquisition has been decided not to be proceeded further.

Writ stands disposed of accordingly.
