The petitioner approached this court seeking a direction to Baba Farid University of Health Science, Faridkot to declare the result of the petitioner for final year of BPT examination held in May/June, 2013. The petition was filed in this court on 21.4.2014. Further prayer has been made seeking damages for delay in declaration of the result.

In the reply filed, it has been stated that the result was delayed as the case of the petitioner was found to be suspicious of copying, however, on verification, the result was declared on 4.4.2014, i.e., prior to even filing of the writ petition.

The fact that the petitioner had received the result in May, 2014 is not in dispute.

Considering the aforesaid facts, as far as the first prayer of the petitioner is concerned, the same is rendered infructuous, namely, prayer for declaration of the result. As far as the prayer for damages is concerned,

considering the facts on record, this court may not be able to record a definite finding of fault. The petitioner, if so advised, may avail of appropriate remedy for claiming damages against the University.

The writ petition stands disposed of.
