The grievance of the petitioner is that the vehicles were purchased by him in the year 2013-14 and already stood registered. The tax due thereon, as levied under Haryana Motor Vehicles Taxation Act, 2013, had been paid upto 31.3.2016, but still the petitioner is being pressed to pay the tax for that period.

Learned counsel for the State submitted that no tax is being asked for from the petitioner for the period upto 31.3.2016. As per the rates of tax notified by the Government, vide notification dated 5.6.2015, the tax for the period from 1.4.2016 onwards shall be calculated as per the rates provided and for the old vehicles, already registered, rebate in the value of the vehicle is to be granted as per the formula prescribed in the notification, hence, for the period from 1.4.2016 onwards, the petitioner is liable to pay the tax as per the notification, referred to above.

In view of the stand taken by learned counsel for the respondents, learned counsel for the petitioner submitted that as no tax is being demanded from the petitioner upto 31.3.2016, the grievance in the petition does not survive. Ordered accordingly.

The petition stands disposed of accordingly.
