S. J. VAZIFDAR, A. C. J. (ORAL)

The petitioners contend that the enhancement has wrongly been demanded for the reason that it has been computed on the entire land measuring about 47 acres, although the Reference Court granted the reference only in respect of 30 acres. The other contentions have also been raised in the petitioners' representation dated 10.09.2015 (Annexure P-6). The same refers to various documents and material obtained by the petitioners under the Right to Information Act, 2005. It would be appropriate for the respondents to take a decision in this regard before considering the petitioners' claim directly in this writ petition.

2. The writ petition is, therefore, disposed of by directing the respondents to respond to the petitioners' representation dated 10.09.2015 (Annexure P-6).
