There is no warrant for interference at this stage.

The petitioner desires the master roads to be completed without which according to it the development work has come to a stand-still.

2. The respondents had by a letter dated 01.12.2015 expressly stated that the roads would be constructed within three months from the date of possession of the land in respect of the said roads. The petitioner addressed a letter dated 31.12.2015 contending that there is now no impediment to the construction of the roads. The petition was filed within one week of the notice without even giving the respondents an opportunity of responding to the same.
