Counsel for the appellant submits that the statements of the parties have already been recorded on September 23, 2016 and a decree has been passed in terms of the compromise. Counsel submits that he has been telephonically informed that the concerned decree under Section 13-B has already been passed.

In view of the above, this renders the petition infructuous and the same is disposed of as such. Petitioner is, however, granted liberty to get it revived in case of need.
