The appellant has filed the present intra-court appeal impugning the order dated 19.12.2015, passed by this court in CWP No. 20855 of 2015. The issue raised by the appellant is regarding grant of 'No Objection Certificate' to Indian Oil Corporation (for short, 'the Corporation') for setting up of a petrol pump close to the housing society of the appellant.

The site for the petrol pump was allotted on lease hold basis by Haryana Urban Development Authority to the Corporation for setting up of the petrol pump. The Corporation obtained all requisite permissions and licences. Once that is so, no case is made out for interference in the present appeal merely on the ground that the petrol pump is located close to the housing society of the appellant, as that itself is no ground to refuse 'No

Objection Certificate' for setting up of the petrol pump or decline permission to an Oil Company. We do not find any reason to interfere with the order passed by the learned Single Judge.

Accordingly, the appeal is dismissed.
