SHAM SINGH AND ANOTHER
VS.
SMT. OMA DEVI AND OTHERS

Present: Mr. Gagandeep Singh Sirphikhi, Advocate
for the applicants-appellants.

Prayer in this application i.e. CM No.9656-C of 2016 is for
condonation of delay of 328 days in filing the review application.

The reason assigned for the delay in filing the review
application is that there is firstly the ignorance of the aspect with regard to
the period of limitation and secondly that they were arranging the funds to
engage the counsel for filing the review application. Both these grounds
cannot justify the unexplained and inordinate delay on the part of review
applicants. The application being devoid of merit requires to be rejected.

The present review application i.e. RA No.RS-86-C of 2016
cannot be entertained in the light of the fact that there is change of counsel
and he, who is appearing now on behalf of the review applicants would not
know as to what was argued before the Court and in what circumstances the
order was passed. However, on considering his submissions, I do not find
any ground for review of the order dated 02.09.2015.

The application stands dismissed and the review application is
also dismissed being barred by limitation.
