Vikram Singh Vs. State of Punjab & another

Present: Mr. Vivek Sharma, Advocate, for the applicant-petitioner.

\*\*\*

This review petition is dismissed with the clarification that in the last second sentence of the order, the same would have to be read that the study of three years of Hindi would follow by necessary implication. When the rule making authority in Punjab provided that a Graduate with Hindi as subject will only be eligible apart from the other qualification of B.Ed., it meant graduation as understood in Punjab with the subject read for three years to be awarded degree in Bachelor of Arts.
