The petition filed by the petitioner was dismissed, vide order dated 3.8.2016, passed by this Court in CWP-11174-2016, by passing a speaking order. The petitioner preferred LPA-1705-2016 before this Court, which was disposed of by a Division Bench on 5.9.2016 (Annexure-A-1), with liberty to the petitioner to file a review application before this Court.

The learned counsel for the applicant-petitioner contends that similarly situated three other employees were awarded different punishments. However, the documents regarding the different punishments awarded to such other employees were not placed on file of the main writ to enable this Court to find out whether it is a case of discrimination or not. There is no error apparent on the record. Whatever documents were placed on the file were considered and the matter was decided on merits. Now, after the decision, the applicant-petitioner cannot be allowed to place on file some other documents to make out a case for review.

The present application is accordingly dismissed.
