CM No.4724/2016 (Exemption)

Allowed, subject to all just exceptions.

Application is disposed of.

W.P.(C) 1083/2016 and CM No.4723/2016 (Stay)

Petitioner has challenged the order dated 11th January, 2016 passed by the Public Grievances Commission whereby respondent no.2/SDMC has been directed to demolish the unauthorized structure. Learned counsel for petitioner contends that unauthorized construction was booked but no demolition order has been passed. It is further contended that property was

even partially demolished. Public Grievances Commission has noted that one unauthorized room still exists. This is a DDA flat. Any unauthorized construction will affect the neighbouring flat. It may further be noted that petitioner has admitted about the unauthorized construction, inasmuch as, has given an undertaking to the Executive Engineer (Building) that he will himself demolish the unauthorised structure. Accordingly, I am not inclined to entertain this petition.

Writ petition as well as interim stay application are dismissed.
