CM Appl. No. 9354/2016 and W.P.(C) 1753/2015

This application has been moved by the petitioners seeking withdrawal of the petition on the ground that an amicable settlement has been concluded between the petitioners and respondent Nos. 2 and 3; and that the petitioners/applicants do not wish to pursue the instant petition any further. The affidavits of all the petitioners are also stated to have been annexed to this application.

To my mind, no notice is required to be issued in this application to the opposite side.

As prayed, the application is allowed and the present writ petition is dismissed as withdrawn.

The next date of hearing, i.e., 13th May, 2016 stands cancelled.
