26.07.2016

On the previous three dates of hearing, there was no appearance –the last two dates were 13.01.2016 and 18.02.2016. The Court did not pass any orders but directed the matter to remain on Board in the interest of justice. Even today there was no appearance on behalf of the appellant and the case was called out in its turn from the Regular/Final list for hearing. The appeal is accordingly dismissed for non-prosecution.
