By the present petition the petitioner seeks quashing of FIR No.48/2013 under Section 452/354/506 IPC registered at PS Farsh Bazar on the ground that the parties have settled the matter.

A perusal of the status report reveals that earlier also one more FIR was registered against the petitioner being FIR No.367/05 under Sections 323/341/354/506 IPC at PS Tilak Nagar by a different complainant. The proceedings in FIR No.367/05 are still pending for trial.

Considering the fact that this is the second involvement of the petitioner for an offence of molestation of a woman, I do not find it to be a

fit case to quash the FIR even though the parties may have settled the matter.

Petition is dismissed.
