CORAM:

HON'BLE MR. JUSTICE A.K. PATHAK

ORDER

%

14.12.2016

Matter has been taken up today as 12th December, 2016 was declared holiday on account of Milad-Un-Nabi (birthday of Prophet Mohammad).

By way of the above noted writ petitions, petitioners have prayed for the quashing of following cross FIRs.

(a) FIR No.941/2014 under Sections 324/452/34 IPC registered at police station Patel Nagar on the complaint of Ms. Jyoti.

(b) FIR No.937/2014 under Section 308 IPC registered at police station Patel Nagar on the complaint of Mr. Ashish Kumar Singh.

FIR No.941/2014 was registered on the complaint of Ms. Jyoti, who is wife of Dara Singh (petitioner/accused in W.P. (Crl.) 1231/2016). Complainant Ashish Kumar Singh in FIR No.937/2014 is petitioner/accused in W.P. (Crl.) 1219/2016. A perusal of FIR shows that a quarrel took place between Ashish Kumar Singh and Dara Singh on some money transaction, which led to the registration of the aforesaid cross FIRs.

Learned Additional Standing Counsel, appearing in W.P. (Crl.) 1219/2016, submits that Varun Kumar (brother in-law of Ashish Kumar Singh) is also co-accused in FIR No.941/2014. Learned counsel for the petitioners submits that Varun Kumar has died in an accident on 8th June, 2016, therefore, he has not been impleaded as a party in W.P. (Crl.) 1219/2016.

Ashish Kumar Singh, Jyoti and Dara Singh are present in Court and have been identified by the Investigating Officer SI Ashok Kumar PS Patel Nagar. They submit that they have settled the matter of their own free will

8

and without any undue force, coercion and influence. They further submit that they do not wish to pursue their respective FIRs any further.

Keeping in mind that parties are known to each other, the quarrel took place between them on some money transaction and now that they have settled their disputes, no fruitful purpose would be served to keep the criminal proceedings pending. Accordingly, both the above noted FIRs and the consequent proceedings emanating therefrom, if any, are quashed.

Petitions are disposed of in the above terms.

A.K. PATHAK, J.
