1. None appears for the parties.
2. Order-sheet would show that though the writ petition was admitted but no stay was granted meaning thereby proceedings have continued before the learned Addl.Chief Metropolitan Magistrate. The petitioner is challenging a summoning order on a complaint filed by the Income-Tax authorities alleging that the petitioner has committed an offence punishable under Section 276C(1)/277 of the Income-Tax Act.
3. The factual basis is falsification of the books of accounts to diminish income by ₹4,20,821/-.
4. Since none appears for the petitioner to argue the writ petition the same is dismissed in default.
5. No costs.
