Review Petition No.20/2017 in MAC.APP. 393/2009

By way of the review petition, review of judgment of 6th December, 2016 is sought by appellant on merits, which is impermissible.

Upon hearing, I find that it is nowhere stated in the review petition that it is submitted by learned counsel for review petitioner that any point urged before this Court, has not been considered in the judgment of 6th December, 2016.

No ground to review the judgment of 6th December, 2016 is made out.

The review petition is dismissed.
