Present writ petition has been filed primarily seeking a direction to Central Vigilance Commission to initiate departmental enquiry/proceeding against government officials who are stated to be responsible for poor quality of construction work in Rohini Chambers Block.

In the counter-affidavit filed by respondent nos. 1 and 2 it has been averred that the construction work was executed by respondent no. 3- Contractor as per the contract entered into between the parties and as per the drawings approved by the client department.

It is also averred in the counter-affidavit that there were only some minor leaks and cracks which have been rectified and repaired.

Keeping in view the aforesaid averments in the counter-affidavit, this Court is of the view that serious disputed questions of fact arise for

consideration, without adjudication of which, no relief can be granted in the present writ petition.
