versus

BANSHRAJ EX ENGR AND ORS Respondents

Through Mr. Rahul Sharma with Mr. Ankit
Roy, Advocates for R-1, 2, 3, 5 and 6.**CORAM:****HON'BLE MR. JUSTICE MANMOHAN****ORDER**

% 30.05.2016

Present writ petition has been filed seeking a direction to respondents to construct the road on Wazirabad Drain in Y shape rather than constructing a straight elevated road.

This Court is of the opinion that it should not interfere in technical lay-outs and designs of infrastructural projects as it is the job of an expert in that particular field.

Consequently, present writ petition and applications are dismissed.
