The applicants have preferred the present applications under Section 438 Cr.P.C. to grant anticipatory bail apprehending arrest in case FIR No. 24/16 under Sections 323/325/341/308/34 IPC registered at police station Hauz Quazi.

Learned counsel for the applicants submits that initially, the FIR was registered under Section 323/341/34 IPC and the applicants were granted bail. However, subsequently, Sections 325 and 308 IPC were added since the injury was found to be grievous. Learned counsel submits that the applicants have already been called for interrogation on several occasions and they have joined the investigation. Even this Court had granted protection to the applicants on 30.05.2016 and they had joined the investigation even after this. He submits that no recovery is required to be made at the instance of the applicants.

Learned APP submits that the investigation is complete and the final report has not been filed on account of the pendency of the present applications. Since the investigation is stated to be complete and the applicants have already joined investigation, there is no need for custodial interrogation of the applicants.

Accordingly, the present applications are allowed. In case of their arrest, the applicants shall be released on bail on their furnishing personal bonds with one surety each in the sum of Rs. 10,000/- to the satisfaction of

the arresting officer. The applicants shall, however, not try to contact the victim or any of the prosecution witnesses or influence them in any manner.

Dasti.

The bail applications stand disposed of.
