ORDER

% **23.11.2016**

The affidavit of Delhi Transport Corporation has been filed. We have seen the same. The process of verification has been done in almost all the cases. The balance, which is left, will also be concluded shortly. We may also indicate that repeated verifications without reason should not be indulged in once verification has been done in a proper manner. However, in the case of complaints being received, the same can be done.

With these observations, the writ petition stands disposed of.
