The status report tendered in court shows that the petitioner's mother who had been called for check up on 19.09.2016 by the doctor to determine the future course of action did not turn up for her examination before the doctor on the said date. No date has been fixed for the operation of the petitioner's mother.

In these circumstances, I find no merit in this petition. The same is, accordingly, dismissed. The petitioner may move again as and when the operation of the petitioner's mother is fixed.
