The assessee in this case challenges a notice under Sections 147/148 of the Income Tax Act, seeking reassessment of income for Assessment Year (AY) 2009-10. After some hearing during the course of which the court was of the opinion that the arguments could be best appreciated during the course of reassessment proceedings, learned counsel sought liberty to withdraw the writ petition with further liberty to urge the issue of legality of the impugned notice before the appropriate Tax Authority.

Liberty granted on both grounds. The writ petition is dismissed as withdrawn. Pending applications also stand disposed of.
