CORAM:
HON'BLE MR. JUSTICE A.K. PATHAK

ORDER
% **04.03.2016**

During the course of hearing, grievance raised by the petitioners is that sewage water flows and accumulates on the road and near the property of petitioners, that is, 'Bedi Farm House'. In the minutes of meeting held on 31st December, 2015 under the chairmanship of Commissioner (SDMC) at Civic Centre, inter alia, this issue has been noticed as under:-

*“During the course of discussion, it was revealed
that since, geographically the village is situated at*

higher level as compared to adjoining areas, the project department South Zone, SDMC has constructed a sump well and booster pump at Phirni Road of Village Jonapur for out flow of untreated sewage/waste water of rural village Jonapur. It has been noticed that when SDMC pump house does not function properly due to any reason, such as power failure or mechanical fault, the generated waste water gets accumulated in low lying area near Bedi Farm House. In view of this, Commissioner SDMC directed that SE(E&M) shall ensure that the pump house functions properly and under no circumstances accumulating of waste water takes place in this area. SE(E&M) shall personally monitor the working of this pump house regularly.

(emphasis laid)

Accordingly, writ petition is disposed of with the directions to respondent no.1/SDMC to ensure that the pump house functions properly and under no circumstances, there is accumulation of sewage/waste water in the area, more particularly near the property of the petitioners. SE(E&M) is directed to personally monitor the working of the pump house and see that directions as contained in para no.2 of the minutes of meeting are complied

with.

Copy of the order be given dasti to counsel for respondent no.1 to serve on SE(E&M) for information and compliance.

Miscellaneous applications are disposed of as infructuous.

A.K. PATHAK, J.
