HON'BLE MR JUSTICE JAYANT NATH

JUDGMENT

BADAR DURREZ AHMED, J

1. Bhim Singh v. Govt of NCT of Delhi & Ors (WPC 9101/2014) is the lead matter in this batch of petitions. The facts are virtually identical except for the description of the petitioners and the lands and some dates. They all pertain to the same acquisition proceeding under the Land Acquisition Act, 1894 (hereinafter referred to as 'the 1894 Act').

2. In all the petitions the benefit of section 24(2) of The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (hereinafter referred to as 'the 2013 Act') has

been sought. The petitioners seek a declaration that the land acquisition proceedings in respect of their lands be deemed to have lapsed in view of the provisions of section 24(2) of the 2013 Act. This is sought on the assertion that though they have received compensation, they continue to be in actual physical possession of the lands in question and the award was also made more than five (5) years prior to the commencement of the 2013 Act (i.e., 01.01.2014). On the other hand the respondents contend that although the award was made more than 5 years prior to the commencement of the 2013 Act, the petitioners cannot get the benefit of section 24(2) of the 2013 Act because the actual physical possession of the lands in question had been taken by the Land Acquisition Collector and compensation had also been admittedly paid to and received by the petitioners/landowners. It was further contended on behalf of the respondents that the petitioners had also, while receiving additional payment under a Special Rehabilitation Package, given up all their rights in respect of the said acquired lands and therefore they could not seek any benefit under section 24(2) of the 2013 Act.

3. The Notification under section 4 of the 1894 Act indicating the government's intention to acquire, *inter alia*, the petitioners' lands in

village Kanjhawala for the development of 'New Industrial Area' was issued on 25.08.2005. This was followed by the declaration under section 6 of the 1894 Act on 10.07.2006 and by the Award No.6/2008-09 dated 20.06.2008. In the award it was mentioned that physical possession of the land under acquisition would be taken after the announcement of the award. As per the respondents, physical possession of the subject lands was taken on 11.07.2008. And, insofar as WPC 9101/2014 (Bhim Singh [supra]) is concerned, compensation of Rs 72,37,027/- was paid vide cheque number 341685 dated 26.11.2009. Similar was the case in respect of the petitioners in all the other petitions in this batch. On the part of the petitioners, it was, however contended that physical possession was still with them and only paper possession was taken by the respondents.

4. It is also necessary for us to point out that prior to receiving compensation, the petitioners had to make an application supported by an affidavit. By way of sample the application and affidavit submitted by Bhim Singh (i.e., the petitioner in the lead case) is as under:-

AFFIDAVIT

I, deponent, Bhim Singh S/o Sh. Uday Singh R/o VPO Kanjhawala, Delhi-81, do hereby solemnly affirm and declare as under:-

Verification:-

Verified at Delhi on the 30/1/09 that the contents of above affidavit are true and correct to the best of my knowledge and belief and nothing has been concealed there from.

From the application and the affidavit it is evident that the said Bhim Singh acknowledged the fact possession had been taken by the concerned authority. However, the compensation was being received under protest and subject to the filing of a reference under section 18 of the 1894 Act.

5. In the meanwhile, on 01.10.2008 the Government of NCT of Delhi had issued order no. F.9(20)/80/L&B/LA/Vol.II/8226-44 in respect of a Special Rehabilitation Package for people affected by land acquisition in respect of the cases in which the land acquisition awards had not been announced till December 18, 2007. Since the award in the present case was announced in 2008, the petitioners became eligible for the Special Rehabilitation Package. But that package was subject to certain terms as would be clear from the said order dated 01.10.2008 which is set out below:

**“GOVERNMENT OF NCT OF DELHI

ORDER

The government of the NCT of Delhi have taken into consideration the general increase in prices of land and the inequity of giving compensation based on the procedure followed

under the Land Acquisition Act, 1894. Therefore, the government have decided to give a Special Rehabilitation Package for the people affected by land acquisition in respect of the cases in which the land acquisition awards have not been announced till December 18, 2007, details of which are:-

1. The amount of compensation effective from December 18, 2007 would be discounted by Rupees 11.80 lakhs per acre per year for those lands which were notified under section 4 for acquisition in 2006 and 2005.
2. Though this Special Rehabilitation Package would involved additional funds for making payment of compensation to the farmers, the amount would be recovered while determining the cost of land allotted to other government agencies.
3. The other elements of the award namely solatium and interest would be allowed as per rules.
4. The Special Rehabilitation Package would not be treated as precedent for the future.
5. The payment of compensation should be done in a time bound manner.
6. The package would apply to all agricultural lands.
7. The Special Rehabilitation Package should be accepted by individual farmers and made applicable in each case only, if they do not mount a challenge to the award already announced by the LAC. If they have challenged the award they must withdraw the petition to avail of the benefit of the Special Rehabilitation Package.

7. In paragraph 10 of the undertaking it has been clearly recorded that on the acceptance of compensation including the Special Rehabilitation Package, all the rights of the said Bhim Singh (which is also the case in all the other petitions) "*qua the acquired land shall cease*" and "*no cause of action shall arise for agitating the matter in any court of law or authority or authorities*". This undertaking was made in 2011, much prior to the commencement of the 2013 Act which, as mentioned earlier, happened on 01.01.2014.

8. The plea of the petitioners is founded on their claim that they are still in actual physical possession of the subject lands. The respondents contend otherwise. The respondents' contention is based on two planks. The first being the factum of possession proceedings of 11.07.2008 as per annexure R-1 to the counter affidavit of Respondent no.2 (Land & Building Department, Govt of NCT of Delhi) in the lead case (Bhim Singh – WPC 9101/2014). The second being that the petitioners, in their applications seeking compensation, have admitted that “possession” had been taken by the concerned authorities. De hors this, the respondents also contend that in this batch of matters the petitioners have willingly opted for the Special Rehabilitation Package and, while doing so, have given up all their rights in the acquired lands. This happened in 2011, much prior to the 2013 Act. Therefore, on 01.01.2014, the petitioners had no right whatsoever in respect of the subject lands.

9. Insofar as the arguments of the respondents with regard to possession are concerned, the learned counsel for the petitioners submitted that there was a clear distinction between mere “possession” and actual “physical possession”. The learned counsel sought to place

reliance on several decisions of the Supreme Court to contend that “physical possession” of the subject lands had not been taken over. The decisions were: (1) **State of M.P. v. Narmada Bachao Andolan:** (2011) 7 SCC 639; (2) **NTPC v. Mahesh Dutta & Ors:** (2009) 8 SCC 339; (3) **Banda Development Authority v. Motilal Agarwal & others:** (2011) 5 SCC 394; (4) **Prahlad Singh & Ors v. Union of India & Ors:** (2011) 5 SCC 385; (5) **Raghubir Singh Sherawat v. State of Haryana:** (2012) 1 SCC 792; (6) **Magnum Promoters v. Union of India:** (2015) 3 SCC 327; (7) **Velaxan Kumar v. Union of India:** (2015) 4 SCC 325. But, in our view, it would not be necessary for us to examine the issue as to whether the petitioners were or were not in actual physical possession. In fact, we need not even examine the two planks of the respondents’ counter argument qua possession.

10. The key point in this batch of matters is whether the petitioners had any right left in subject lands? As noted above, in the undertakings given by the petitioners in 2011, while opting for the Special Rehabilitation Package and receiving additional payments thereunder, they had clearly divested themselves of all their rights in respect of the subject acquired lands. Thus, at the time of commencement of the 2013 Act on

01.01.2014, the petitioners had no right, title or interest left in the subject lands. Therefore, they cannot claim any benefit under section 24(2) of the 2013 Act. On this ground alone, the writ petitions are liable to be dismissed.

11. Consequently, we dismiss the writ petitions but, with no order as to costs. Interim orders, if any, stand vacated.
