ORDER

05.05.2016

Learned counsel for the petitioner has submitted that the petitioner has already completed the period of sentence but he is not being released.

Having heard learned counsel for the parties, I am of the considered opinion that the period of calculation of sentence is to be made by the jail authorities on the basis of the document which is the subject matter of record. No determination can be done by this Court in this petition as the same relates to the question of fact. I do not find any justification to interfere in the question of fact on the

completion of sentence as it is for the jail authorities to calculate the period of sentence.

Consequently, the present petition and applications are dismissed with the liberty to the petitioner to approach the jail authorities.

Let a copy of this order be sent to the concerned Jail Superintendent.

P.S.TEJI, J
