apologised her and shown remorse. Further the petitioner has returned to her the dental equipments which he had misappropriated and has paid adequate compensation of the misappropriation. She states that since the parties have settled the matter as per the Memorandum of Settlement dated 4th October, 2016 and she has received the entire compensation as agreed, she does not want to pursue the abovementioned FIR and the proceedings pursuant thereto.

Petitioner who is present in Court and is identified by the learned counsel affirms the statement of respondent No.2 and states that he will abide by the terms of the Memorandum of Settlement dated 4th October, 2016. The petitioner has further tendered his unqualified apology and assured that no misbehaviour will take place in future.

In view of the fact that the parties have amicably resolved their differences of their own free will, volition and without any coercion, no useful purpose will be served in continuance of the trial in the above noted FIR and there is no legal impediment in quashing the FIR in question.

Consequently, FIR No. 233/2016 under Sections 406/354/354A IPC registered at PS Greater Kailash, Delhi and proceedings pursuant thereto are hereby quashed.

Parties have signed this order sheet in acknowledgment of their statements made before this Court.
