ORDER

Crl.M.A. 3230/2016 (Exemption)

Application is allowed subject to just exceptions.

Crl.M.A. 3229/2016 (Modification)

In the present case, this Court disposed of the revision petition
vide order dated 08.02.2016 while modifying the order of the Trial

Court only to the extent as under :

“Considering the facts and circumstances, the
default sentence for non-payment of compensation
amount of Rs.6,50,000/- is reduced to simple
imprisonment for three months.

The revision petition stands disposed of in the
above terms.”

Now the present application has been moved for modification of order dated 08.02.2016 to release the petitioner as he in custody since 25.02.2015 and his custody be calculated with effect from 25.02.2015 for the purpose of calculating the sentence period of 10 months and sentence of 3 months in default for non-payment of fine.

After hearing the learned counsel for the petitioner, this Court is of the considered opinion that calculation of the period of sentence and releasing of the person is within the domain of the Superintendent Jail as per the record maintained by them. This Court is further of the view that no direction is required to be given in this case about the calculation of sentence in a particular manner which is the sole domain of the Jail Authority. No correction or modification is called for. The order is self explanatory.

Application is accordingly dismissed being devoid of merit.
