The judgment debtors have not been served since they are not found at the given address. Counsel for the decree holder states that the decree holder has no other address of the judgment debtor. The decree of possession has been executed. However, the money decree/decreed for issuance of TDS certificate has still not been executed. In these circumstances, the present execution petition is disposed of. The decree holder may move a fresh execution as and when the address of the judgment debtor is located within the period of limitation.
