CORAM: HONOURABLE THE CHIEF JUSTICE
ORAL JUDGMENT

Date: 19-04-2017

Having heard learned counsel for the parties, it is seen that the petitioner without taking recourse to the remedy available under Clause 64(1) of raising a demand or a claim with the Railway Administration has directly sought recourse to the remedy of appointment of an Arbitrator under Clause 64(2) and thereafter filed this application.

Without raising a claim and a demand with regard to the dispute in question first before the Railway Administration, this application is not maintainable. The same is, therefore,

dismissed.
