Re.: Civil Review No.375 of 2016

Seeking review of an order dated 15.09.2015 passed by the Division Bench of this Court in Letters Patent Appeal No.756 of 2014 by contending that while disposing of the matter with regard to the issue in question pertaining to the auction purchase made and action taken based on various proceedings held patent illegalities have been committed in the matter and petitioner wants review of the order.

On going through the detailed order passed on 15.09.2015, we find that it has been passed in various Letters Patent Appeals, review applications filed arising out of an order passed by a Writ Court and in detail various aspects of the matter have been discussed.

Considering the rival submissions, we find no error apparent on the face of record warranting review of the order. In fact, we find in the light of the judgment of the Hon'ble Supreme Court in

the case of **Sasi (Dead) through Legal Representatives. versus Aravindakshan Nair and ors.** [(2017) 4 SCC 692], the grounds canvassed are not tenable. The Review Application is dismissed.
