CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

4 03-03-2017 Heard the parties.

This application is for grant of bail in connection with
Laheri P.S.Case No.232 of 2016 for the offence under Sections
363, 366(A), 34 of the Indian Penal Code.

It is submitted on behalf of the petitioner that his name
transpired later on, on the basis of suspicion during the course of
investigation but the other accused persons, having similar
circumstances and their name also transpired during the course of
investigation, have been granted bail and the main allegation is
against two other accused persons, who are named in the F.I.R.
itself and they have also been granted anticipatory bail. The case
of the petitioner is on better footing than that of those accused
persons.

Heard learned A.P.P., who has opposed the prayer for bail.

Having heard both sides. In view of the fact that there are some materials against the petitioner and he has been made accused on the basis of suspicion during the course of investigation of the case. As such, I am not inclined to grant bail to the petitioner, however, the petitioner may renew his prayer for bail in the learned court below itself, after framing of charge and the learned court below will consider all aspects of the matter and will pass appropriate order considering the fact that other accused persons, having similar allegation, have been granted bail.

With the aforesaid observation, this application is dismissed.
