CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

2 15-05-2017

Heard learned counsel for the petitioner.

This is an application for bail in connection with
Sonepur P.S.Case No. 47 of 2015 registered for the offences
punishable under Sections 498A and 354/34 of the Indian Penal
Code.

Allegation as per FIR against the petitioner is torture
and cruelty and further allegation is that petitioner sent bad
messages on the mobile of mother of informant and also uploaded
porn pictures on the e-mail I.D of the informant. It further appears
that petitioner was earlier granted provisional bail by the court
below and he could not surrender after expiry of the period of
provisional bail and later on he has been arrested in connection
with other case and from that case he has been remanded in this

case on 10.3.2017.

It has been submitted on behalf of the petitioner that there is no mistake on the part of the petitioner and he was in custody in connection with other case, as such, he could not appear after the period of provisional bail was over and he is ready to abide by any condition if bail is granted to him.

Heard learned APP also.

Having heard both sides and in view of the allegation and also the conduct of the petitioner, I am not inclined to grant bail to the petitioner.

However, learned trial court is directed to expedite the trial and try to conclude the same within a period of nine months.

Accordingly, this application is dismissed.
