ORAL JUDGMENT

Date: 13-02-2017

The petitioner is the husband of opposite party no. 2.

He is aggrieved by order dated 31.07.2015 passed in Maintenance
Case No. 71/2012 by the Principal Judge whereby the learned
Principal Judge, Family Court, Samastipur has directed for stopping
of payment of salary to the petitioner who had failed to pay the
maintenance allowance to the opposite party, in compliance of earlier
order of the Family Court.

I have perused the order dated 31.07.2015. By the
said order the Drawing & Disbursing Officer of the office where the
petitioner works had been directed not to make payment of salary till
he paid the amount of maintenance allowance to the petitioner. The
said order dated 31.07.2015 on the face of it is not a final order rather

interim order. It is not known as to what is the present stage of the maintenance case pending before the Family Court.

In my opinion, the impugned order being not a final order, this criminal revision application cannot be maintained against such order and is dismissed as not maintainable.

It goes without saying that the petitioner shall have the liberty to file appropriate application in accordance with law before appropriate forum.
