CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

3 02-08-2017 The petitioner seeks regular bail in connection with Sare

P.S. Case No. 73 of 2016, registered for offences punishable under

Sections 147, 148, 149, 341, 323, 307 and 506 of the Indian Penal

Code.

Allegation against the petitioner is of firing on the
brother of the informant causing serious injury to him.

At the very outset, learned counsel for the petitioner has
submitted that petitioner is accused in three other cases but due to
communication gap, this fact could not be mentioned in the bail
petition. It has also been submitted on behalf of the petitioner that
there is case and counter case between the parties and petitioner
has also received serious injury. Further petitioner has no criminal
antecedent and has been in judicial custody for last four months.

Learned counsel for the State as well as learned counsel for the informant opposed the prayer for bail on the ground that there is direct allegation against the petitioner of firing on the brother of informant due to which he has received grievous injury and is still under treatment.

Having heard both sides, considering the fact and circumstances of the case and nature of allegation, I am not inclined to release the petitioner on bail, his application for regular bail is, accordingly, rejected.

However, the trial court is directed to expedite the trial and try to conclude it within a period of nine months.
