CORAM: HONOURABLE MR. JUSTICE DINESH KUMAR SINGH
ORAL ORDER

2 15-02-2017 Heard learned counsels for the petitioners and the

State.

The petitioners being the brother and mother of the
husband of the victim have renewed their prayer for anticipatory
bail in a case registered for the offences punishable under
Sections 304B, 201, 328 and 120B of the Indian Penal Code.

Accusation is of killing the daughter of the informant
after about one year of marriage for non-fulfillment of the
dowry demand by making assault and administering poison.

It is submitted by learned counsel for the petitioners
that the accusation of demand of dowry and torture is not
specific against the petitioners. Petitioner no.1 claims to reside

at Bangalore and petitioner no.2 claims to be separate from the husband of the victim.

The impugned order reflects that the post-mortem report suggests the death due to injury caused on the head of the victim.

Considering the nature of accusation, this Court is not inclined to revise the earlier order. However, let the learned Court below consider the prayer for regular bail of the petitioner keeping in view of the fact that the thrust of accusation is against the husband of the victim, if the petitioner surrenders within a period of six weeks in connection with Sugauli P.S. Case No.125/2014, pending before the learned CJM, East Champaran at Motihari.

With the above observation, this application is, accordingly, disposed off.
