ORAL ORDER

(Per: HONOURABLE THE CHIEF JUSTICE)

3 19-06-2017

From the facts available on record, it is crystal clear that the petitioner's father died in harness while working in the work charge establishment. Before his case for regularization of service could be considered by the competent authority on the basis of government notification dated 4.112.2013. He died on 23.12.2013. That being so, the claim of the petitioner for compassionate appointment could not be considered as his father was an employee in the work charge establishment. That being the position, we find no error in the impugned order. Accordingly, this appeal is dismissed.
