The appellant of Criminal Appeal (DB) No. 988 of 2012 i.e. Birendra Yadav has been held guilty for the offences punishable under section 302 of the Indian Penal Code and section 27 of the Arms Act and sentenced to undergo imprisonment for life and a fine of Rs. 10,000/- for the charge under section 302 IPC and in default of payment of the said fine, the said appellant has been directed to undergo further rigorous imprisonment for six months. He has been further sentenced to under go three years rigorous imprisonment for the charge under section 27 of the Arms Act. The other two appellants i.e. Lal Yadav of Criminal Appeal (DB) No. 973 of 2012 and Ashok Yadav of Criminal Appeal (DB) No. 1035 of 2012, have been held guilty for the offences

punishable under sections 302/34 of the Indian Penal Code and sentenced to undergo imprisonment for life and to pay a fine of Rs. 10,000/- and in default thereof they have been directed to undergo further rigorous imprisonment for three months.

4. The short facts of the case are that on the basis of the fardbeyan of the informant namely Rajesh Kumar recorded by Sub-Inspector of Police, C.D. Rajak of Singheshwar Police Station on 02nd March, 2010 at 11:30 P.M. at Sadar Hospital, Madhepura, Singheshwar P.S. Case No. 14 of 2010 was registered under section 302/34 of the Indian Penal Code and section 27 of the Arms Act against all the aforementioned appellants. The case of the informant namely Rajesh Kumar is that on 02nd March 2010 at about 4:00 P.M. in the day time he had gone to Singheshwar along with his brother Pramod Kumar Yadav for purchasing domestic articles and medicine. At about 8 P.M. in the night while the informant and his brother, after purchasing domestic articles and medicines, and watching the fair were returning to their home on their bicycle and when they had reached near Singheshwar Durga Asthan (Mahabir Chowk) then they met Ashok Yadav (appellant in Criminal Appeal (DB) No. 1035 of 2012), Birendra Yadav (appellant in Criminal Appeal (DB) No. 988 of 2012) and Lal Yadav (appellant in Criminal Appeal (DB) No. 973 of 2012) who were seated on two motorcycles. The appellant Ashok Yadav had then stopped the said two brothers at Mahabir Chowk and told the brother of the informant namely Pramod Kumar as to whether he wants to take money or not and he further told him that he would take him by motorcycle to his home and give money and then he would drop him at his home. Thereafter, the deceased Pramod Yadav with a view to take his money amounting to a sum of Rs. 1,50,000/- sat on motorcycle with the appellant Ashok Yadav and thereafter

all the four persons went away. Subsequently the said persons started eating betel leaf at the betel leaf shop and the informant by his bicycle went ahead. When the informant reached Doma Chowk and was eating betel leaf there, all the three appellants and his brother reached there. After the informant had eaten betel leaf and was urinating, suddenly the appellant Ashok Yadav and Lal Yadav caught hold of his brother Pramod Yadav and the appellant Birendra Yadav took out a country made pistol from his waist and fired a gun shot at the deceased and warned the informant that if he came forward, he would also be shot. The informant has further stated that the said three appellants are having criminal background. According to the informant these people had taken a sum of Rs. 1,50,000/- from the deceased as loan and with the intention of grabbing the said money they took his brother deceitfully and with a view to kill him had shot him as well as injured him at a place which is 200 yards south of Doma Chowk whereafter the said three appellants ran away on their motorcycle. Thereafter, the informant had informed his family members at his home and also the police station at Singheshwar and then the villagers of nearby area had come there. Subsequently, the police had also arrived there and had taken the deceased on jeep to the Madhepura Sadar Hospital, where during the course of treatment the brother of the informant namely Pramod Kumar Yadav died at about 11:30 P.M. in the night. On the basis of the aforesaid fardbeyan of the informant namely Rajesh Kumar, a formal FIR was drawn at 1:00 A.M. on 03.03.2010 under sections 302/34 of the Indian Penal Code and section 27 of the Arms Act against the aforesaid three appellants.

5. The police had investigated the case and finding the case to be true had submitted the charge sheet on 30.05.2010 against the aforesaid three appellants under section 302/34 of the Indian panel Code and section 27 of the

Arms Act. After completion of supply of police papers the case was committed to the court of sessions on 03.07.2010 and the charges were framed on 03.08.2010 against all the appellants under section 302/34 of the Indian Penal Code and on 13.12.2010 against the appellant Birendra Yadav under section 27 of the Arms Act.

6. During the course of the trial the prosecution has produced 10 witnesses to prove its case while the defence has produced two defence witnesses.

7. The informant of this case is P.W. 6 namely Rajesh Kumar Yadav and he is also the brother of the deceased. P.W. 2 is Sanjay who is the brother of the informant as well as the deceased and has been examined by the prosecution as a hearsay witness. Similarly P.W. 4 Babita Devi who is the wife of the deceased has also been examined as a hearsay witness. P.W. 5 Ravindra Kumar Yadav, the brother of the deceased is also a hearsay witness. P.W. 3, Nand Kumar is the brother in law of P.W. 5 and P.W. 1 is Chandradeep Kumar. Dr. Vijay Prasad Modak has been examined as P.W. 7 and he had conducted the postmortem on the dead body of the deceased and prepared the postmortem report. P.W. 10 Amarkant Choubey is the first I.O. of the case and P.W. 9 Rajeshwar Singh is the second I.O. and he had filed the charge sheet while P.W. 8, Binod Prasad Yadav is the Dy. S.P. who had filed the supervision report. The defence witnesses are D.W. 1 i.e. Amrendra Kumar Yadav and D.W. 2 Sitaram Yadav.

8. The learned Sr. counsel Sri Vishwanath Pd. Singh, who has appeared for the appellant Ashok Yadav, has contended that the circumstances would show that the prosecution witnesses are not reliable and there is contradiction in the mode and manner of carrying the deceased to the hospital. Moreover, at the place of

occurrence nothing was found and no seizure list has been prepared. The doctor who had examined the injury of the deceased has not been examined and therefore the correct version of the incident has been purposely withheld. It has been further contended that P.W. 4 i.e. the wife of the deceased namely Babita Devi has stated in her evidence that the informant Rajesh Kumar Yadav was in the house and all her Bhaisurs had gone to the place of occurrence after hearing about the said incident, hence the informant could not have been an eye witness to the occurrence and he has deposed falsely as well as it is clear that no such incident as narrated by the informant had ever taken place. The learned counsel has further contended that there is material contradictions on the mode and manner of arrival of the police and the motive is also not probable. It has also been submitted that if the appellants had already planned to kill the deceased there was no need to bring the deceased to the betel leaf shop or to hold the hand of the deceased for the purposes of killing him and they could have killed the deceased at a lonely place. It is also contended that none of the independent witnesses have been examined although 30-35 persons had assembled at the place and all the witnesses examined by the prosecution are tutored and planted witnesses. Lastly, it is submitted that the I.O. did not find any mark of the alleged incident at the place of occurrence, neither the blood soaked cloth was seized nor any cartridge was found nor any seizure list was prepared, hence the place of occurrence is also doubtful. It is contended that the present case is a case of clean acquittal. The Ld. Counsels for the other two appellants have adopted the aforesaid submissions.

9. Mr. Ajay Mishra, learned Additional Public Prosecutor for the State has contended that the quality of evidence is important and not the quantity, hence the witnesses who have deposed on behalf of the prosecution are

liable to be relied upon since their evidence is consistent. It is further submitted that the evidence of the informant cannot be disbelieved merely on the basis of the evidence of P.W. 4 who is a pardanasin lady. In such view of the matter, there is no doubt that the allegations leveled against the appellants have been proved beyond pale of all reasonable doubts. Lastly, it is submitted that there is ample evidence on record to sustain the conviction of the appellants herein.

10. At this juncture it would be relevant to discuss the evidence led by the prosecution. P.W. 6, Rajesh Kumar Yadav, who is the informant of this case as well as the brother of the deceased has stated in his evidence that the occurrence dates back to 02.3.2010 at about 9:00 P.M. in the night when he was at the second pulia (small bridge) which is one pulia ahead of doma chowk and was returning to his home from Singheshwar. In paragraph no. 79 of his cross-examination, P.W. 10 had stated that B.S.N.L. tower was situated in the village but he had not investigated the field.

18. P.W. 9 Rajeshwar Singh has stated in his evidence that on 27.05.2010 he was the Officer In-Charge of Singheshwar Police Station, Madhepura and had taken up of the investigation of Singheshwar Police Station Case No. 14 of 2010 from Sub-Inspector of Police, Amar Kant Choubey. During

the course of the investigation, he had obtained the postmortem report from the hospital and recorded the same in the case diary. P.W. 9 had also received the final progress report from the senior officer. After perusing the evidence, P.W. 9 had filed the charge sheet under sections 302/34 of the Indian Penal Code and section 27 of the Arms Act against all the three appellants herein, finding the occurrence to be true. In paragraph no. 4 of his cross-examination, P.W. 9 had stated that from perusal of the fardbeyan, it is clear that S.I. C.D. Rajak had recorded the fardbeyan and the date has been shown to be 02.02.2010. In paragraph no. 5 of his cross-examination, he has stated that on the foot of the fardbeyan Rajesh has put his signature and beneath it he has written the date as 02.02.2010.

19. P.W. 8 Binod Prasad Yadav has stated in his evidence that on 03.03.2010, he was posted as Dy. S.P., Madhepura and on that date one Pramod Yadav was shot by fire arm under the Singheshwar Police Station and he was taken to the hospital in an injured condition by the Police. P.W. 8 has further stated that he has reached the hospital and had seen that Pramod had received gun shot injury and thereafter he had become conscious and P.W. 8 had made enquiries from him. Pramod had told P.W. 8 that all the three appellants had got together and shot him by fire arm. After sometime Pramod became unconscious and thereafter died. P.W. 8 has further stated that he wanted to record the dying declaration, however, in the meanwhile he died. P.W. 8 has also stated that in this connection he had given the first supervision note to the Investigating Officer. In paragraph no. 2 of his cross-examination, P.W. 8 has stated that he does not remember that where he was at the time when he had received information, however, he has stated that it was about 7-8 P.M. in the night when he had received information. In paragraph no. 9 of his cross-examination, he had

stated that before he had reached the hospital, the Police had gone to the hospital and seen the deceased Pramod who was injured on account of gun shot injury and he was kept in the emergency at the hospital. In paragraph no. 10 of his cross-examination, P.W. 8 stated that the deceased Pramod was conscious when he had reached there. In paragraph no. 11 of his cross-examination, he stated that he had not immediately informed any Magistrate but still he had enquired and after sometime Pramod died. In paragraph no. 12 of his cross-examination, P.W. 8 stated that when he was in the hospital premises, he heard hulla that Ashok Yadav had come in the hospital premises and was caught. In paragraph no. 13 of his cross-examination, he stated that he had given direction to the Investigating Officer in his supervision note to take print out of the mobile phone from which the informant had given information to the police station. In paragraph no. 14 of his cross-examination, P.W. 8 had stated that he had given direction to the Investigating Officer to collect information about the murder of the deceased and about the character of the appellants.

20. Upon consideration of the entire evidence it is evident that there is material contradictions in the evidence of the witnesses and the witnesses do not seem to be reliable. The informant who has been examined as P.W. 6 has stated in his evidence that he had seen that the appellants Ashok Yadav and Lal Yadav had caught the deceased Pramod Yadav and the appellant Birendra had fired gun shot at the deceased Pramod Yadav after taking out three not three from his waist, however, in his cross-examination he has stated that when he was at the first pulia he had not heard the sound of gun fire and while he had moved ahead of first pulia on foot along with his cycle and was about to climb his cycle then he heard the sound of gun shot firing and then he heard his brother shouting and saw that his brother has been killed by gun shot and when he reached near

his brother he found that his brother had fallen down and was writhing in pain. It is apparent that P.W. 6 has given contradictory version and does not seem to be an eye witness to the occurrence. Similarly, P.W. 6 i.e. the informant Rajesh Kumar Yadav and P.W. 2 Sanjay Kumar, brother of the informant have said that the deceased Pramod was drenched with blood and when they had held him and were looking after him, they had also got blood stains all over their clothes, however, neither the blood stained clothes of the deceased nor the blood stained clothes of the witnesses were seized by the Investigation Officer/ Police much less sent for forensic examination. The entire case as put forth by the prosecution is belied from the evidence of P.W. 4 Babita Devi, wife of the deceased who has stated that her husband had left home at 11:00 A.M. in the morning after getting a call on his mobile and at that time the informant Rajesh (informant and brother of the deceased Pramod), her father-in-law mother-in-law and three sister-in-laws were present in the house. In paragraph no. 44 of her cross-examination, P.W. 4 has stated that after receiving information about the incident, all the brothers of her husband and her father-in-law had hurriedly gone to the place of occurrence. The evidence of P.W. 4 clearly shows that the informant was at his house / residence at the time of the alleged incident and he had gone to the place of occurrence after receiving information about the occurrence, however, the informant has stated in his evidence that he had gone with the deceased Pramod to Singheshwar at 4:00 P.M. in the evening on 02.03.2010 for purchasing domestic articles and medicine and were returning back to their residence at about 8:00 P.M. whereafter the incident had taken place. There is material contradiction in the statement of the informant and therefore he does not seem to be a truthful witness.

21. Further, the ocular evidence led by the prosecution with regard to

the injuries sustained by the deceased Pramod also do not corroborate with the injuries found by the doctor during the course of postmortem, hence the case as set forth by the prosecution does not seem to be true. Although the witnesses have said that 30-35 or may be more persons were present at the place of occurrence, however, none of the independent witnesses except P.W. 1 who has not deposed anything substantial, have been examined in order to strengthen the case of the prosecution. The motive has also not been established inasmuch as all the witnesses have said that the deceased Pramod did not have any quarrel with all the three appellants herein.

22. Yet another aspect of the matter is that the story as put forth by the informant is not probable to the effect that when he had confronted the appellants herein, the appellants had threatened to kill the informant if he did not run away, thus it is intriguing as to why any accused persons who have just shot the victim with a view to kill him would spare a witness to testify against them. The evidence of all the witnesses i.e. P.W. 1 to P.W. 5 are also inconsistent and moreover none of them are eye witnesses and in fact it also does not appear that they had seen the aforesaid three appellants fleeing since neither the source of light nor the torch by which some of the said witnesses claim to have seen the accused persons, have either been seized or produced before the court and exhibited in the present proceedings. Moreover, the said witnesses are also not consistent on the issue of the number of fire arm being carried by the accused persons and there is variance in their evidence on the said issue. The Investigating Officer has failed to identify the place of occurrence inasmuch as neither any mark of the alleged incident was found at the place of occurrence nor any material evidence was collected from the place of occurrence nor any cartridges were seized nor any blood soaked soil was seized or seen by the

Investigating Officer nor any other evidence was found or collected by him to show that the occurrence had taken place at the alleged place of the incident. Thus the place of occurrence has not been established. Further, there is also contradiction in the evidence of the witnesses with regard to the mode and manner of carrying the deceased to the hospital. The doctor who had examined the injuries of the deceased at the very inception has also been withheld and not examined in the present proceedings, hence, the narration of the incident by the deceased to the Dy. S.P. cannot be relied upon. Another contradiction is that, according to the informant he had immediately given information to his family members and the Police whereafter the Police had arrived but the Investigating Officer in his evidence has stated that while he was on patrol duty he got information that some incident has taken place at Domashi Chowk and then he had gone at that place of occurrence for verification. The time of occurrence also varies in the evidence of various witnesses. Moreover, the case as propounded by the Prosecution does not seem to be probable inasmuch as if the accused persons had planned to kill the deceased then there was no reason to firstly take the deceased away from the informant and then again bring him back to the market and then kill him in presence of his brother. The accused persons could have very well killed the deceased at a lonely place after taking him away on their motorcycle. In fact the Dy. S.P. appears to be having doubt about the incident and that is why he had issued directions in his supervision note to verify the call records of the mobile by which the informant had informed the police station as also collect information about the character of the appellant Ashok. Moreover, upon perusal of the evidence of the Investigating Officer i.e. P.W. 10, it is apparent that there are contradictions in the statement of the witnesses made under sections 161 of the Cr.P.C. and the one made in their deposition during the

course of the trial.

23. After going through the materials on record and the evidences, we are of the opinion that the prosecution has not proved the case beyond all reasonable doubt and as such the appellants of all the three Criminal Appeals deserve to be given the benefit of doubt. Accordingly, the judgment of conviction dated 30.08.2012 and sentence dated 13.09.2012 passed in Sessions Trial No. 95 of 2010 is hereby set aside. The appellant of Criminal Appeal (DB) No. 973 of 2012 i.e. Lal Yadav and the appellant of Criminal Appeal (DB) No. 1035 of 2012 i.e. Ashok Yadav were granted bail vide order dated 13.08.2014, however, the appellant of Criminal Appeal (DB) No. 988 of 2012 i.e. Birendra Yadav is in custody. Considering the fact that all the aforesaid three appellants have been acquitted, the two appellants namely Lal Yadav and Ashok Yadav, who are already on bail are hereby discharged from their liability of bail bonds and the appellant Birendra Yadav, who is in jail, is hereby directed to be released forthwith, if not required in any other case.

24. The aforesaid three appeals are hereby allowed.
